**Project** Strategic Noise Mapping Phase 2 (2012)

**Title** Lden (dB) - County Westmeath

0 5 10 20 Kilometers

Coordinate System: TM65 Irish Grid

**Data Source:** Westmeath Co Co.; National Roads Authority

**Date:** September, 2012

This strategic noise map presents a graphical representation of weighted predicted annual average (L<sub>den</sub>) and annual average night time (L<sub>night</sub>) road traffic noise levels in Co Westmeath. The map has been developed in accordance with S.I. No. 140/2006 (the Environmental Noise Regulations) and is a representation of the average environmental noise levels over one complete year. This map forms part of a national noise mapping strategy which can be primarily used as a strategic tool for large scale planning or policy matters and is not suitable for local noise assessments. National and regional roads deemed to be carrying in excess of 3 million vehicle passages per year were assessed in this national study.
